

The Ah-Ooh Song

by Steve Highley

It's good to see a lot of folks back for another year
And it's good to look around and see new faces here
We're gonna have a good time (ah-oooh)

We've got a fresh council working hard for you
Planning all the fun things we're gonna do.
We're gonna have a good time (ah-oooh)

**We're the Kilbourne Council and we sing it loud.
We're the Kilbourne Council and we sing it proud.
We're the Kilbourne Council and we're here to say ...
We're gonna have a good time (ah-oooh)**

We'll make new friends that we don't yet know.
We'll pack our bags and see a little O-hi-o.
We're gonna have a good time (ah-oooh)

We'll do some hiking and we'll see some trees.
We'll get together and make some memories.
We're gonna have a good time (ah-oooh)

**We're the Kilbourne Council and we sing it loud.
We're the Kilbourne Council and we sing it proud.
We're the Kilbourne Council and we're here to say ...
We're gonna have a good time (ah-oooh)**

**We're the Kilbourne Council and we sing it loud.
We're the Kilbourne Council and we sing it proud.
We're the Kilbourne Council and we're here to say ...
We're gonna have a good time (ah-oooh) (ah-oooh) (ah-oooh) ...**
